

April 1, 2011

Dear Camp Staff:

Enclosed is an application to volunteer as a counselor for Camp High Five. Our camp will be held June 26 – July 1, 2011. Again, this year we will use Camp Twin Lakes at Will-A-Way in Winder, Georgia. We are excited once again to have the camp all to ourselves. As usual, we will have bus transportation. We will need some volunteers to accompany the campers on the bus and others to greet campers upon their arrival at Will-A-Way.

All returning staff will be expected to complete a one-day staff training on Saturday, June 4, 2011 in Augusta or on Saturday, June 11, 2011 in Atlanta. You will be notified of the location later. All volunteers are expected to stay at the camp for the duration of the session, unless authorized by the camp director.

In addition, please check out the Camp High Five website at www.heroforchildren.org to find out general information about our camp. Please complete the attached application and mark your calendar! **Applications are due May 30, 2011.** Once I receive your completed application, I will contact you to set up an interview.

Thanks for your interest in Camp High Five. Please feel free to contact me if you have any questions, suggestions or ideas. I can be reached at collette@heroforchildren.org.

Sincerely,

A handwritten signature in black ink that reads "Collette M. Hopkins".

Collette M. Hopkins, Ph.D.
